

Service to Veterans Employee of the Year 2004

Dennis Nolte, Veterans Service Officer, Springfield, MO, has been selected as the Employee of the Year 2004 for the Service to Veterans Program. Dennis is being recognized for his continued outstanding service to veterans and their survivors. During the past year, in addition to his regular duties, he willingly took on the added responsibility as acting supervisor, and provided valuable assistance with administrative duties in the Southwest Regional Office. He also participated in several outreach activities, i.e., Freedom Salute Ceremonies and manning a booth at the Springfield Fair, which has increased the number of clients in his area. His superb performance as a mentor for two new service officers is commendable and will serve as an example for the future.

On April 5, 2005, Dennis received his award at the Missouri Veterans Commission quarterly meeting in Jefferson City, MO from Sharon Keith, Director, Service to Veterans Program.

We congratulate Dennis and thank him for his continued support of our veterans programs.
